The Ultimate Full-Featured Sound System Powered by SANGEAN.

For nearly half a century, SANGEAN has designed and engineered some of the finest radios to warm our ears with premium sound. With the amount of expertise developed over the years, we heard you and developed our most powerful audio system yet. Equipped with the latest and most iconic features, including internet radio, DAB+, and FM, this sumptuous model will resonate in every room.

Revel in a true listening environment with Qualcomm® aptX™ audio technology with your NFC-enabled Bluetooth® device or enjoy your favorite playlists on Spotify, Amazon Music, and our other built-in streaming services. Take a trip down memory lane through your personal CD collection or simply connect your USB, SD Card, and Aux-In. Never miss out on a radio podcast with our digital recording feature and always be in full control with our infrared remote or the UNDOK™ App in the palm of your hand. This is SANGEAN's REVERY experience.
